PROFESSIONAL SUMMARY

Information Technology graduate with strong foundation in Java, Python, SQL, Data Structures & Algorithms, and object-oriented programming. Hands-on experience through a Java development internship and academic projects spanning IoT, Machine Learning, and data analysis. Skilled in Git, DBMS, and SDLC practices, with proven experience leading cross-functional technical teams. Seeking an entry-level Software Engineer role to apply strong problem-solving skills and build scalable applications.

TECHNICAL SKILLS

- Languages: Java, Python, SQL, HTML
- Tools & Platforms: Git, GitHub, MySQL, MS Excel, VS Code
- Core Concepts: Data Structures & Algorithms, DBMS, Operating Systems, Object-Oriented Programming, SDLC
- Soft Skills: Team Leadership, Project Management, Problem Solving, Technical Documentation

EXPERIENCE

Java Development Intern — NILTECH-EDU *Nov. 2024 – Dec. 2024*
Remote

- Gained hands-on experience in Java backend development, applying object-oriented programming principles and enterprise application architecture
- Completed certified internship program, demonstrating industry-ready skills in backend logic and implementation

PROJECTS

Smart Fire Detection & Surveillance System
ESP32 CAM, IoT, Python, Real-time Systems

- Engineered an IoT-based safety system integrating real-time fire detection with live video surveillance using ESP32 CAM
- Led a cross-functional team of 4, coordinating hardware integration, software development, and system testing
- Implemented automated alert mechanisms and live feed capabilities to enhance emergency response for rescue operations

CrimeCast: Crime Rate Analysis & Prediction
Python, Machine Learning, K-Means Clustering, Data Analysis

- Developed a machine learning solution using K-Means clustering to analyze and predict crime patterns from historical data
- Led a team of 3 in implementing an end-to-end data pipeline for processing large-scale crime datasets and generating insights
- Created an interactive visualization dashboard to help law enforcement agencies plan proactive crime prevention strategies

EDUCATION

St. Martin's Engineering College — B.Tech in Information Technology *Aug. 2022 – May 2026*
Hyderabad, India | CGPA: 8.17/10.0

Sri Chaitanya Junior College — Higher Secondary Education *June 2020 – May 2022*
Hyderabad, India | Score: 94.1%

SPR School — Secondary Education *May 2020*
Kamareddy, India | GPA: 10.0/10.0

ACHIEVEMENTS & LEADERSHIP

- Project Leadership: Led 2 technical projects from conception to deployment, managing cross-functional teams of 3-4 members with consistent on-time delivery and quality outcomes
- Academic Excellence: Achieved 10.0/10.0 GPA in secondary education, 94.1% in higher secondary education, and maintained 8.17 CGPA throughout undergraduate studies in Information Technology
